OPENING

This is the Magna Carta of Music

PART 1: PROTEST

We need a system bigger than we are | Things that you want to happen must happen!

We need more songs | *Please listen to me*

We need our human rights | Give us our human rights | We need freedom

Give us peace and quiet

We need more sunshine | We need more light | Look up to the sky | *I need music in my life* | *Praktiki*

We need a system bigger than we are | Things that you want to happen must happen!

This is the Magna Carta of Music

PART 2: REFLECTION

Bright glow of the reflected sun | Shining on the water

Gorgeous sounds | Pink and red | In my head

Dancing voices in my head | Gorgeous sounds | Pink and red

PART 3: ASKING FOR HELP

We need lots of friends

Alone | *Why doesn't anyone hear me?* | Nowhere to live | No food to eat | Cold and miserable | I don't know how to ask for help | Nowhere to live | No food to eat | I want my family | I want my friends | Somebody help me!

PART 4: ALONE

Ah...

I was someone who could fly | *But now I feel sad* | *I'm annoyed* | *I think about things that are unfair*

Memories from the dark times | *Someone who doesn't fit in* | *To be accepted for who I am* | *That's what I want* | *I see and hear things differently* | *Ah!*

I am power | *Listen to me* | *I can sing anything* | *Bad dreams* | *Bad days* | *Feeling sad about* | *Anything can happen* | *I am power* | *Ah!*

Listen more often to voices around you | Listen with your eyes | Listen with your hands | Listen with your heart

PART 5: POWER

Hiding where no one sees me | Behind the autumn trees | Hold the lightning ready to throw | Waiting to get them

Brave and bold | Hey yo hey! | I have free will | Keep your heart free | *Don't control us too much*

Save people's lives | Give them warmth and shelter | Earthquakes are louder than the wind | Ah! | Help the people in danger

We have a voice that's strong enough to say no | No! | We have the power to make things change | So please listen to what we want | Make the world a fairer place to be | That's what we want

PART 6: FEELING SAFE

We feel safe | When we're together

Ah! | Dom keta daka tee

Shema | Shetsa | See the colours | See the shade of our expression | Pictures of sound

My big brother safe me | Safe me my family

PART 7: TOGETHERNESS

Always spinning round | Spinning | Ooh! | Friends together | Ooh!

I want silence | *I really want | Ah!*

Please be kind and make the world a better place | Let the world hear my voice

We are going back | To where we don't want to go | Listen and hear our voice | Uphill not down | Togetherness is power

I want to go out more | I want to feel

I like action when it's loud | Libero!

We have a system of friends | Best friends | Connect with trust and love | Love!

Tolerate us | Value us | Let us out more | Smile, don't stare | Loosen the barriers | Give us a chance | Thank you

Powerful voice | Exploding inside | Makes us bigger than we are | Powerful voice!
